### Commercial Filming

Permission must be obtained from the zoo management prior to your arrival for any filming or photography that is intended for commercial purposes.

### Smoking and Vaping

Africa Alive Zoological Reserve is a no smoking site. This includes the use of e-cigarettes and vaping. Anyone found smoking or vaping within the grounds will be asked to leave the zoo.

Guests are required to return to their vehicles if they need to smoke. Please ensure you are able to present a valid ticket in order to gain re-entry.
